Address
Hout Bay Riding Centre
Main Road
Hout Bay
Western Cape

I started vaulting at the age of 6 in Germany. When I got a bit older, I started coaching my own beginner groups and did my official coaching license in Germany. My old team and I trained several new horses and enjoyed the competition seasons together. When I moved to Cape Town, I got involved at the Riding Centre Hout Bay, where I coach all levels and was part of the organizing committee for SA Champs in 2019.
